

Volunteers and Service Providers

M.S.S. relies on the help of volunteers and service providers to implement many of the services offered to the older adults in the R.M. of Macdonald.

If you would like to help out, here are some ways you can contribute:

- perform light housecleaning
- be a driver
- help with minor home repairs
- be a friendly or telephone visitor
- help with yard maintenance
- pick up mail, groceries, and prescriptions
- help at the meal programs

Please call the Coordinator if you are interested in becoming a Service Provider or Volunteer.

Macdonald Services to Seniors provides support for R.M. of Macdonald seniors so they can remain in their own homes and communities longer.
